Facilitating Knowledge Transfer Partnerships  
for Higher and Further Education in the West of Scotland

The screenshot shows a web browser window with the address bar displaying "http://www.ktpws.org.uk/". The website header includes the logo "Knowledge Transfer Partnerships" and "West of Scotland KTP Centre". A navigation menu contains links for "Home", "About KTP", "Business", "Academics", "Graduates", and "Projects". A search bar is located on the right side of the header. Below the navigation menu, a yellow banner reads "We hope you enjoy our new site". The main content area features a "Welcome" section with the following text: "Knowledge Transfer Partnerships is Europe's leading programme helping business to improve their competitiveness and productivity through the better use of knowledge, technology and skills that reside within the UK knowledge base. KTP is funded by the Technology Strategy Board with 17 other funding organisations." This is followed by two paragraphs describing the centre's history and its mission. A "News & Events" sidebar on the right includes a "Subscribe to the news feed" link, a photo of award winners with the caption "University of the West of Scotland and Crawford Scientific win UK KTP Award", and a photo of a seminar with the caption "KTP Seminar, 31 March, Glasgow". Below the news section is a "Contact the Centre" button. At the bottom of the page, there are social media sharing options (Share, Facebook, Twitter, LinkedIn) and a "Links" section with copyright information: "Copyright (c) 2009 West of Scotland KTP Centre". The footer repeats the text "Facilitating Knowledge Transfer Partnerships for Higher and Further Education in the West of Scotland".
